NOTE: This array shows the score which must be shot based on the slope of qualifying course relative to the NSGA starting slope of 113 for women and 119 for men. MPSs are adjusted up and down based on slope. Qualifying Game Coordinators must advise their golfers of the MPS for the golf course being used for the qualifying before play begins. Use the chart below to determine the MPS.

The NSGA reserves the right to use judgement based on experience when setting the standard, therefore, a standard may not always match the formula if applied to the results of the most recent games.
